Recognizing Your Success
Client Success Story Contest Under Way
Submitted by: Blake Denny

Since its founding in 1964, SCORE, “Counselors to America’s Small Business”, has assisted more than 8 million aspiring entrepreneurs and small business owners through counseling and workshops.

With over thirty volunteers in the Knoxville Chapter, SCORE has provided advice to thousands of clients to help them turn their quest to start or grow a small business into a story of success.

From ideas that are just six months into fruition, to businesses that have thrived for many years, this month’s “Client Success Story Contest” gives the clients a chance to share their story of how SCORE helped them get to where they are today.

To enter the contest, the business owner must have been counseled by SCORE and submit a one page story about their business by April 30th. The winner will be selected to coincide with small business week, and will receive a \$500 cash prize along with free media exposure.

Ask your counselor today for details or visit SCORE’s website at www.scoreknox.org and click on the “client contest” link for full contest rules.
